Direct: (352) 867-2863
Fax: (352) 368-2309

Date: July 9, 2026

Important: This proposal is an outline of coverages proposed by insurers and based on information provided by you or your company representatives. Insurers represented in this proposal may have agreements in place with IOA through which compensation, contingent upon such factors as the size, growth and/or overall profitability of an entire book of business placed with that insurer, may be derived. This contingent compensation would be in addition to any other compensation received and is not guaranteed. If you would like additional information on this matter, please let us know.

If you are aware of other areas of potential exposure to loss or additional information we should know, please bring it to our attention so proper coverage(s) can be discussed. Keep in mind that higher liability limits or additional coverages may be available. Please let us know if you would like a quote. We also need to know if your exposures change during the policy term. Examples of changes include, but are not limited to, beginning new operations, hiring employees in additional states, buying new property.

We strive to provide you with the information needed to make informed decisions about your insurance program. This proposal does not include all the terms, coverages, exclusions, limitations and conditions of the actual policy language. The policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

Only the property listed above is covered by insurance. If you have other property, such as business or personal property, signs, fences, detached buildings, pools, sports courts, light poles, etc., it is not covered unless listed above. The property values illustrated are estimates based upon the information you furnished. IOA and its agents assume no responsibility for the accuracy of these values. If you are not sure of the accuracy of the values stated, a property appraisal should be obtained from a qualified, licensed real estate appraiser. Items not listed on this property schedule do not have coverage. Please refer to the actual policy for more specific information on scheduled items.

FLORIDA
FIXED 25% DIVIDEND

For qualifying Florida policyholders in Summit-managed carriers

With a fixed dividend, a policyholder will be eligible for a dividend regardless of their loss history. When this program is used in conjunction with a deferred premium payment option, it will provide a policyholder with cash-flow benefits.

ELIGIBILITY

- Premium in the state of Florida
- Accounts with low loss ratios and favorable financials may qualify.
- Policy must remain in effect for the full 12-month period and all audits must be paid in full prior to the distribution of the dividend.
- A policyholder's eligibility for the dividend is affected if it is issued a Notice of Cancellation as a result of nonpayment of premium or a failure to comply with financial and/or carrier documentation requirements (e.g., failure to comply with WebCAP reporting, failure to comply with a premium audit, etc.). Cancellation penalties are as follows: First Notice—no penalty; Second Notice—50% of eligible dividend forfeited; Third Notice—ineligible for dividend.
- Policies with annual, quarterly or monthly installments.
- WebCAP accounts may qualify, but will not be eligible for the deferred premium option.

HOW IT WORKS

- The final dividend amount will be based on Florida audited normal premium calculated at the time of final audit.
- Once Florida audited normal premium is determined, a dividend of 25% of the Florida audited normal premium is applied to the account balance to offset the premium not previously invoiced/collected. Dividends for WebCAP accounts will be paid after final audit, or applied as an offset on the audit invoice.
- Dividend will not be affected by future losses.
- Those who qualify for a fixed dividend may be offered a deferred premium payment option, which requires the expense constant as a down payment, and then reduces scheduled installments by 25% of the Florida estimated normal premium.
- Dividends are not guaranteed and are declared at the discretion of the board of directors.

If you have any questions, please call Summit's Customer Service at 1-800-282-7648.

Guaranteed Cost with Safety Rewards

For coverage through Bridgefield Casualty Insurance Company
Client:Ocala Heating & Air Conditioning, llc
Submission:86059
Policy term:June 27, 2026 - June 27, 2027

Florida Normal Premium: $62,300.05
Reward percentages based on premium range of $50,000 - $75,000

Florida Loss and Allocated Loss Adjustment Expense	Reward Percentage*	Potential Safety Rewards Return*
No losses	51%	$31,773.03
< 5%	48%	$29,904.02
< 10%	45%	$28,035.02
< 15%	44%	$27,412.02
< 20%	42%	$26,166.02
< 25%	15%	$9,345.01
< 30%	11%	$6,853.01
< 35%	8%	$4,984.00
< 40%	5%	$3,115.00

**The percentage and the potential return shown in the illustration above are based on the Florida estimated normal premium and are subject to change based on audited annual normal premium and the Florida incurred loss and Allocated Loss Adjustment Expense (ALAE) ratio at the time of calculation. The reward percentages will change if the audited normal premium falls outside of the above premium range. ALAE is also known as Defense and Cost Containment (DCC) Expense.*

Safety Rewards program eligibility

- $10,000.00 minimum audited normal premium in the state of Florida
- The policy must remain in effect for the full 12-month period and all audit disputes must be paid in full prior to the distribution of the reward. A policyholder's eligibility for the dividend is affected if it is issued a Notice of Cancellation as a result of nonpayment of premium or a failure to comply with financial and/or carrier documentation requirements (e.g., failure to comply with WebCAP reporting, failure to comply with a premium audit, etc.)
- Accounts must have a completed audit. The reward is forfeited if the account is not made available for auditing within six months after expiration.
- Rewards are not guaranteed and are declared at the discretion of the board of directors.
- Cancellation penalties are as follows: First Notice—no penalty; Second Notice—50 percent of eligible dividend forfeited; Third Notice—ineligible for dividend.
- Reward will be determined within nine months after the policy expiration and reward check will be mailed not more than 2 months after the calculation date.
- Past due premiums or incurred collection costs owed for any policy year will be deducted from the reward prior to distribution.

Excess Liability	☐ YES ☐ NO

☐ I hereby authorize Insurance Office of America to bind my coverage with changes as stated below. I understand these changes may result in possible underwriting requirements or more/less premium.

_____

_____

I understand this proposal provides only a summary of the insurance program and it is my responsibility to read the actual policy for coverage details, deductibles, exclusions, and endorsements.

I confirm the statement of values, property schedule, and other data contained in the proposal including when applicable, but not limited to, the named insured page, general liability rating basis, automobile list and driver schedule, payroll, and equipment list are from my company's records and acknowledge it is our responsibility to maintain and report them accurately.

I have reviewed each page of this proposal including the COVERAGE CONSIDERATION page initialed prior.

Please bind coverage and provide insurance binder(s) and invoice(s) as agreed upon.

FLOOD INSURANCE SELECTION / REJECTION

DATE (MM/DD/YYYY)
7/9/26

AGENCY	CARRIER	NAIC CODE
Insurance Office of America	Brierfield Insurance Company	

POLICY NUMBER	EFFECTIVE DATE	APPLICANT / NAMED INSURED(S)
	6/27/2026	Ocala Heating & Air Conditioning, LLC

IMPORTANT NOTICE

Flood insurance is available under the National Flood Insurance Program (NFIP) in thousands of communities nationwide. It provides coverage for residential and non-residential buildings and their contents, in both high risk as well as low risk areas. Historically, about one quarter of all losses under the NFIP are in low risk areas.

Flooding is the largest single cause of natural disaster loss and damage in our country. The standard homeowner, dwelling or commercial property insurance policy typically excludes or does not otherwise provide coverage for flood damage. Purchasing separate flood insurance coverage will allow covered flood losses to be adjusted in a similar manner as losses from other perils in other property policies.

The Federal Emergency Management Agency (FEMA) advises that although federal disaster relief assistance is sometimes available after a flood, such financial assistance is typically in the form of a loan and must be repaid to the Government in addition to any other outstanding loans.

To the extent that NFIP and/or alternative market flood insurance is available for the property, as your insurance representative, we strongly recommend that you purchase flood insurance.

SELECTION / REJECTION OF FLOOD INSURANCE COVERAGE

I understand that flood insurance coverage, either with NFIP or an alternative market, may be available for the property located at the address below. I understand that not all properties are eligible for NFIP coverage (non-participating community properties or coastal barrier resources system properties) and Loss of Income and/or Additional Living Expense is not currently available from the NFIP. I select or reject coverage as indicated below.

I also understand that my selection / rejection of this coverage will apply to all future renewals, continuations and changes unless I notify you otherwise in writing.

TYPE OF COVERAGE	ACCEPT	REJECT
NFIP Building Coverage	☐	☐
NFIP Contents / Personal Property	☐	☐
Excess Building Coverage	☐	☐
Excess Contents / Personal Property	☐	☐
Alternative Market Primary Building Coverage	☐	☐
Alternative Market Primary Contents Coverage	☐	☐
Alternative Market Loss of Income or Additional Living Expense	☐	☐

Florida Surplus Lines
Disclosure & Acknowledgement

At my direction, Insurance Office of America has placed my coverage in the surplus lines market. As required by Florida Statute 626.916, I have agreed to this placement. I understand that superior coverage may be available in the admitted market and at a lesser cost and that persons insured by surplus lines carriers are not protected by the Florida Insurance Guaranty Association with respect to any right of recovery for the obligation of an insolvent unlicensed insurer.

I further understand the policy forms, conditions, premiums, and deductibles used by surplus lines insurers may be different from those found in policies used in the admitted market. I have been advised to carefully read the entire policy.

There is no liability on the part of, and I have no cause of action against, my agent for placing coverage in the surplus lines market.

Surplus Lines insurers' policy rates and forms are not approved by any Florida regulatory agency.

Disclosures

The information provided in the Disclosures herein is a general and summarized overview of topics we believe may be important to you. We may change the content periodically. Please let us know if you would like additional information on these, or other topics.

A.M. Best Rating Guide
Insurance Office of America is committed to placing your coverage with A.M. Best-rated carriers with an excellent or superior rating. Here is an explanation of their rating structure.

Rating		Description	A.M. Best Opinion
SECURE	A++, A+	Superior	Superior ability to meet their ongoing insurance obligations.
	A, A-	Excellent	Excellent ability to meet their ongoing insurance obligations.
	B++, B+	Good	Good ability to meet their ongoing insurance obligations.
VULNERABLE	B, B-	Fair	Fair ability to meet their ongoing insurance obligations. Financial strength is vulnerable to changes in underwriting and economic conditions.
	C++, C+	Marginal	Marginal ability to meet their ongoing insurance obligations. Financial strength is vulnerable to adverse changes in underwriting and economic conditions.
	C, C-	Weak	Weak ability to meet their ongoing insurance obligations. Financial strength is very vulnerable to adverse changes in underwriting and economic conditions.
	D	Poor	Weak ability to meet their ongoing insurance obligations. Financial strength is extremely vulnerable to adverse changes in underwriting and economic conditions.

Financial Size Category

Assigned by A.M. Best, the financial size category (FSC) is based on the adjusted policyholders' surplus (PHS) and designed to provide a convenient indicator of the size of a company in terms of its statutory surplus and related accounts.

Many insurance consumers consider buying insurance coverage only from companies they believe have sufficient financial capacity to provide the necessary policy limits to insure their risks. Although companies utilize reinsurance to reduce their net retention on the policy limits they underwrite, many buyers still feel more comfortable buying from companies perceived to have greater financial capacity.

A.M. Best Financial Size Categories

FSC I	Up to $ 1,000
FSC II	$1,000 - $2,000
FSC III	$2,000 - $5,000
FSC IV	$5,000 - $10,000
FSC V	$10,000 - $25,000
FSC VI	$25,000 - $50,000
FSC VII	$50,000 - $100,000
FSC VIII	$100,000 - $250,000
FSC IX	$250,000 - $500,000
FSC X	$500,000 - $750,000
FSC XI	$750,000 - $1,000,000
FSC XII	$1,000,000 - $1,250,000
FSC XIII	$1,250,000 - $1,500,000
FSC XIV	$1,500,000 - $2,000,000
FSC XV	$2,000,000 or greater

* (Multiply by a $1,000)

Admitted Carriers

- Admitted carriers are licensed in your state and subject to the state laws.
- Complaints about the insurance company (carrier) can be filed with the state's insurance department as an alternative to litigation.
- Admitted carriers are required to contribute to the state guaranty fund, which is administered by the state to protect policyholders in the event that the insurance company becomes insolvent or defaults on benefit payments.
- If litigation is required, there are designated representatives in your state who accept service in the event of a suit and would have your state as a venue.

Non-Admitted Carriers

- Non-admitted carriers are not licensed by your state.
- They are not subject to state filings.
- Litigation is an option only if you disagree with insurance company (carrier). To proceed with litigation, you must secure an attorney who is licensed in the state where the insurance company resides.
- Non-admitted carriers are not subject to state guaranty funds.
- They must operate through licensed excess and surplus brokers, which generates additional taxes and fees that are added to your premium.

Additional Insured and Contract Review
IOA will not provide legal advice or a legal opinion on contracts you enter into with others. We will assist you by reviewing the insurance requirements of contracts you are considering and encourage you to have all contracts reviewed by your attorney. We will contact the insurers for approval when required but cannot guarantee the insurers will be agreeable to all of the provisions of the contract. Keep in mind endorsing a policy to add an additional insured does not increase the policy limits. It Adds other parties to the policy with whom you have agreed by contract to share your limits.

Auditable Exposures
Policies written on an estimated exposure basis, such as Workers Compensation, are subject to audit at the end of the policy period to determine actual exposures. Audits may result in an additional or return premium. It is important to advise us immediately if you do not agree with audit results.

Claims Made Policies
All claims-made policies stipulate that claims must be reported during the policy period (and/or extended reporting period, if applicable) for incidents after the retroactive date. Please notify us immediately if you become aware of a claim, or potential claim. Coverage gaps may occur when changing insurers or non-renewing claims-made policies if a retroactive date is moved up or the policy is switched to an occurrence form. Purchasing an extended reporting period endorsement, if available, is an important safeguard against a gap in coverage.

Direct Billed and Agency Billed Policies
If the payment method is direct billed, invoicing and payments are between your company and the insurers. If payment is not received in a timely manner, coverage may lapse for non-payment. IOA is not responsible for reminding you to make the payment and we cannot guarantee reinstatement or that a claim will be paid during a cancellation period. If the payment method is agency billed, invoicing and payments are between your company and IOA. IOA will remit payment to the insurers but will not advance payment. We suggest setting up electronic payments to avoid late fees and a potential lapse in coverage.

Financed Premium
If you prefer to finance premiums IOA can provide a competitive quote. Upon receipt of the down payment and a signed agreement, IOA will arrange for the premium to be paid to the insurer or broker. Your company will make all future payments directly to the finance company. IOA is not responsible for reminding you to make the payment and we cannot guarantee reinstatement or that a claim will be paid during a cancellation period. The finance agreement is a contract between your company and the premium finance company and includes a provision giving the premium finance company the authority to cancel all policies covered by the agreement if payment is not made. If your financed policies cancel for any reason, the contract will remain active until any balance on the account is fully satisfied. Do not stop making payments even if a return premium is expected after cancellation. We suggest setting up electronic payments to avoid late fees and a potential lapse in coverage.

New York Producer Compensation Disclosure

The following disclosure is provided pursuant to Insurance Department Regulation NO.194 (11NYCrr30.1 et seq.): Insurance Office of America ("the producer") is an insurance producer licensed in the State of New York. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. The role of the producer in any particular transaction typically involves one or more of these activities.

Compensation will be paid to the producer, based on the insurance contract the producer sells. Depending on the insurer(s) selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract(s) and the insurer(s) the purchaser selects. In some cases, other factors such as the volume of business a producer provides to an insurer or the profitability of the insurance contracts the producer provides to the insurer also may affect compensation.

The insurance purchaser may obtain information about the compensation expected to be received by the producer based in whole or in part on the sale of the insurance to the purchaser, and (if applicable) compensation expected to be received based in the whole or in part on any alternative quotes presented to the purchaser by the producer, by requesting such information from the producer.

Protective Safeguard Endorsement
The proposed property policy may include premium credits or considerations for having protective safeguards such as burglar alarms and fire sprinklers on your premises in good working order. The Protective Safeguard endorsement is a warranty and coverage may be restricted or voided if the systems do not work properly in the event of a loss. Please keep all safeguard systems in good working order and notify us of any changes.

Workers Compensation Short-Rate Cancellations
The California Insurance Code was amended to require that Insurance Companies disclose their Workers' Compensation Short-Rate Cancellations provision to new and renewing policyholders. A Short-Rate Cancellation penalty would apply if your firm were to cancel your Workers' Compensation policy prior to its expiration date. If applicable, the Short-Rate Cancellation Table is included for the insurers proposing coverage.

INSURANCE OFFICE OF AMERICA

Family of Offerings

Partnerships help every business grow.

As you come to know Insurance Office of America (IOA), you begin to understand that we do things a little differently. Yes, we are one of the largest privately held independent insurance brokerages in the United States, but did you know that we also offer a wide variety of offerings and services?
